

My Poor Back!

That's the common exclamation of those suffering with rheumatism or kidney troubles. In either disease Paine's Celery Compound will surely effect a cure, and there will no longer be any cause to complain of "poor backs." Hundreds of testimonials like the following confirm our claims for that grand old remedy, Paine's Celery Compound:

"Two weeks ago I could not sleep more than an hour at a time any night, was constipated and kidneys did in the back. Since I took Paine's Celery Compound the pain has left my back, and I can sleep like a child."

"Having been troubled with rheumatism unable to get around, and was very time. I have used nearly all medicines no advantage. Having seen Paine's trial, I have used only one bottle and am now living as a boy." Frank Caroli, Eureka, Nevada. Price, \$1.00. Six for \$5.00.

NEW ORLEANS, LA

I suffered with catarrh for many years and got so deaf that I went about my Museum, Circles and Theatre giving directions and doing business with a big ear-trumpet at the side of my head. It was very annoying to me and amusing to those who saw me. By the advice of physicians I sought the climate of the Sunny South. In six months I could see no change and was discouraged. At this time I began using Chalmers' English Catarrh Cure. In three months I felt a new man, in six months my hearing returned. I refused to give a testimonial at once for the English Catarrh Cure, as I feared it was not permanent. But a year or more has now passed, and I can no longer indorse Chalmers' English Catarrh Cure for the cure of catarrh and deafness.
